

TEENEAGLE
GUIDEBOOK
2025

TeenEagle

Dear Eagles, Educators and Parents,

We're thrilled you're joining us on our journey to the Global Finals this year! Get ready for an amazing time, filled with new connections, friendly but fierce competition and lots of fun activities, adventures and experiences!

Your journey begins with a simple click, to register on www.teeneagle.org. Study the resources, join the zoom club classes to get prepared, pass an online qualifier round, and then you're on your way to Globals!

We can't wait to see you this year in one of our amazing host cities. Choose one, or multiple, and join us for an unforgettable experience!

We're always here to help, so feel free to reach out with questions. Whether you're an Eagle signing up, a teacher trying to start a TeenEagle Club, or a parent or partner looking for more information, we're a click away!

Good luck on your journey! We'll see you soon.

WHO ARE WE?

TeenEagle is an international English Language Competition for students aged 8-18 which consists of two rounds: **TeenEagle Online and the Global Finals**.

OUR MISSION

We are enthusiastic about youth altering and influencing the world to make it a better place for all individuals, regardless of ethnicity. As a result, we provide our diverse participants with the opportunity to gain new experiences, demonstrate their knowledge and talents, and assess and evaluate themselves. This is why TeenEagle exists: to serve as a worldwide platform to pass on these concepts from generation to generation, as well as an opportunity for them to exhibit their potential, develop confidence, and take a step toward achieving their future aspirations.

OUR AIM

Our English language competition encourages the formation of a shared sense of identity and integration, but we also devote significant effort to fostering diversity and innovative thinking. Through friendly competition, we hope to create healthy, one-of-a-kind, and multinational connections. Cooperation inspires young minds and allows them to exchange ideas, promote peace, and give back to their communities. We are incredibly passionate about forming relationships, which is why we strive to be what educators and students require in order to build a successful future. Not only do we want our students to have a head start on future international academic prospects, but we also want them to develop the ability to convey their academic knowledge.

Accredited by NOCN, an Ofqual UK Regulatory Agent

HOW DOES IT WORK?

The TeenEagle competition requires an ONLINE registration. Students can qualify through an Online Examination Round. If they qualify, they will move on to participate in a Global Final Round.

All participants must pass at least one of the **ONLINE Rounds** or a **Regional Final** to qualify for the TeenEagle Global Finals.

TeenEagle Online and Regional Rounds are all conducted in English, and based on the resources for that Teen

- Online Examination Rounds are a multiple-choice exam. Students have 60 minutes to complete 60 questions.
- The TeenEagle Online examination may be taken at an exam center under the supervision of an educator or at home.
- Students may take the online examination on their own electronic devices such as laptops, cell phones, tablets, and so on.
- Super Online Rounds give students the chance to win free registration to the Global Finals.

What TeenEagle Offers Teachers, Students and Schools

It's important to us to reach out to our global community of Eagles, and ensure that everyone has access to our practice materials and programmes.

TeenEagle Zoom Club Classes

Designed to get our Eagles ready to go for the competitive events, our Zoom Club Classes run a 12-week program, with multiple time slots per week. Eagles can choose which one fits their programmes best, and all topics, schedules and links are one click away, in our portal. The classes are totally free!

Boot Camp Classes

In addition to our zoom club programme, the 4 weeks prior to any Global Final sees a Boot Camp programme. This is only offered to students enrolled in our Global Finals event. It's free, has multiple time slots per week, and is aimed at reviewing everything in the competitive events, and details about our resources that Eagles need to know.

TeenEagle Clubs

Teachers and schools may wish to set up their own TeenEagle clubs, and we are here to help! We've created materials, lesson plans, activities and more to get you started.

How to Set Up a Club?

Step 1: Use our Presentation Video on our website to help get school administrators and parents interested in TeenEagle, and aware of the benefits..

Step 2: Decide which type of club best suits your needs and the needs of the parents in your community:

1. An in-school club
2. After-school activity club
3. Weekend extra club
4. School-Break Club

Step 3: Use our TeenEagle for Students presentation on our website to get students into it!

Step 4: Download our Teacher Pack and get the resource materials. Use these to set up your club classes and determine what/how to teach your students.

Step 5: Once you've gotten into it and students have studied the resources and learned the materials, have your students take one of our Online Rounds to qualify for the Global Finals!

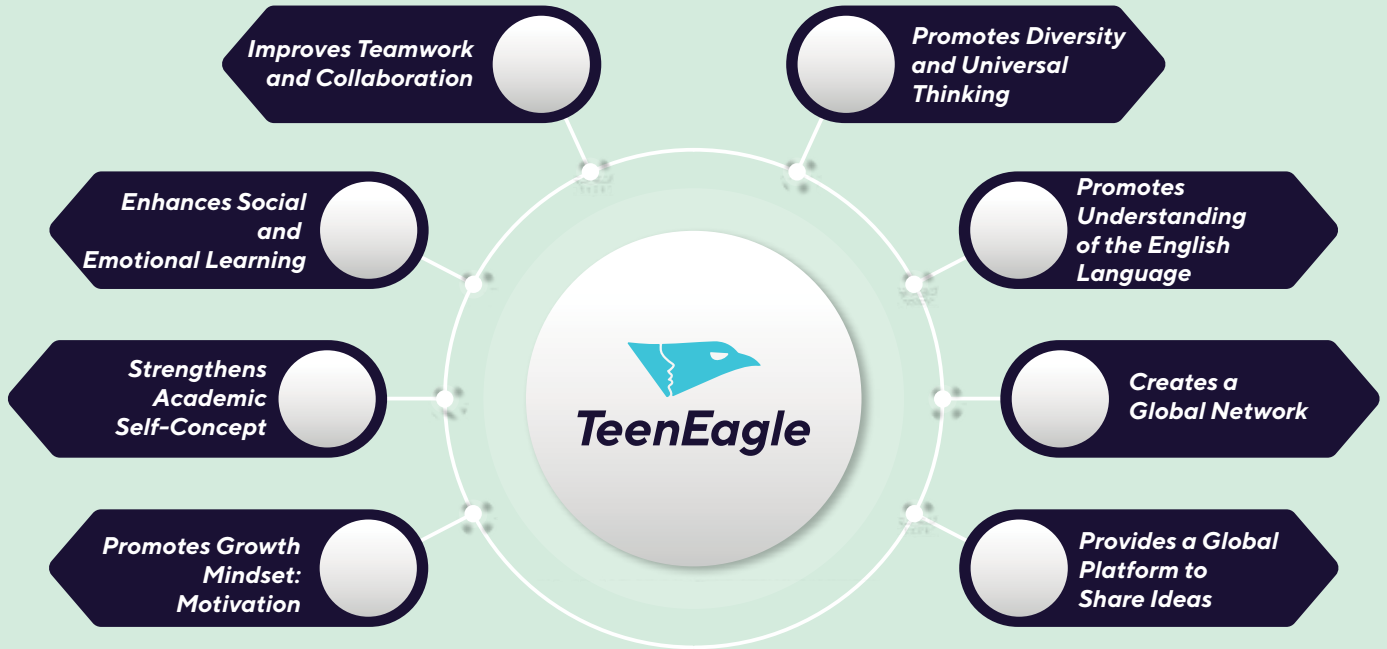

All of our courses, lesson plans and materials are aligned with chosen UNDP Sustainable Development Goals. We do this not only to get important messages to our global Eagles, but also to give them the opportunity to discuss, consider and take action on some big world issues. We want our Eagles to know that they can make a big IMPACT no matter who they are or where they are in the world.
