THERE ARE 3 CATEGORIES IN THE TEENEAGLE MATHS GLOBAL FINALS-UK

THE WRITTEN EXAM: **Format:** 30 questions in 90 minutes. **Focus:** Quantitative and computational mathematics. **Challenge Level:** Progressive, testing accuracy, depth, and endurance. This event is the foundation of the Olympiad, rewarding students who demonstrate strong mathematical fundamentals and problem solving stamina.

LOGICAL MINDS CHALLENGE: **Format:** 5 carefully designed challenges **Focus:** Logical reasoning, analytical thinking, and pattern recognition. **Goal:** To test creativity and lateral thinking beyond pure computation. This round is designed to stretch the imagination and push students to think differently about mathematical problems.

RAPID FIRE ROUND: **Format:** Live quick-response competition. **Focus:** Quantitative and computational mathematics under strict time pressure. **Style:** High-energy, interactive, and competitive. Here, speed matters as much as accuracy. Students must think quickly and act decisively in a dynamic, game-like environment.

LONDON

SUSTAINABLE DEVELOPMENT GOALS   Accredited by NOCN, an Ofqual UK Regulatory Agent

London is the capital and largest city of England and the **United Kingdom** and the centre of the **Greater London** region. London has been a city for two millennia, since it was founded by the Romans under the name **Londinium** in the middle of the first century AD. The old core of London, the City of London, has largely retained its mediaeval boundaries. Since the 17th century, the name London also refers to the metropolis that developed around the old core. Most of this conurbation makes up the London region and the **Greater London** administrative area, which is governed by the Mayor of London and the London Assembly.

London is a significant global city and one of the world's largest financial centres with the largest gross domestic product in **Europe**.

** The program details are subject to change without notice depending on the participants in the event!*

CAMBRIDGE & PUNTING

Cambridge is a university city and the county town in **Cambridgeshire**. The city is most famous as the home of the **University of Cambridge**, which was founded in 1209 and consistently ranks among the top universities in the world. It is the home of the famous **Cavendish Laboratory**, **King College Chapel** and the **University Library**.

The latter two dominate the **Cambridge** skyline, along with the chimney of Addenbrooke's Hospital seen from the south side of the city, while from the north it is the tower of **St. John's College**.

THE THAMES RIVER BOAT TOUR

SUSTAINABLE
DEVELOPMENT GOALS

Accredited by NOCN, an Ofqual UK
Regulatory Agent

The Thames River Boat Tour offers a unique and scenic way to experience the heart of London. As you glide along the iconic River Thames, you'll be treated to **breathtaking views of some of the city's most famous landmarks, including the Houses of Parliament, the Tower of London, Tower Bridge, and the London Eye.**

The boat tour provides insightful commentary, offering fascinating historical facts and stories about the city's rich heritage.

Whether you choose a daytime cruise to see London in the sunlight or an evening tour to witness the city's illuminated skyline, the **Thames River Boat Tour is an unforgettable way to explore London from a different perspective.** Perfect for families, tourists, and locals alike, it's a relaxing and informative journey **through the heart of the capital.**

** The program details are subject to change without notice depending on the participants in the event!*

TOWER BRIDGE

SUSTAINABLE
DEVELOPMENT **GOALS**

Accredited by NOCN, an Ofqual UK
Regulatory Agent

Tower Bridge is an historic and iconic suspension bridge crossing the River Thames in London. It is a defining landmark of the city and is particularly noted for its twin towers, high-level walkways, and bascule mechanism that lifts the road for passing ships. It is home to the Tower Bridge Exhibition, which recounts its fascinating history, details its intricate engineering, and offers breathtaking panoramic views of London from its glass floors and walkways.

The bridge's unique design dominates the Tower Bridge section of the Thames, connecting the Borough of Southwark with the City of London, and offers iconic views of other nearby landmarks such as the Tower of London and the contemporary Shard.

London is the historic and political capital of the United Kingdom and is a global hub for culture, finance, and history. It is world-renowned for its extensive array of architectural marvels, boasting buildings from countless historical periods, ranging from the ancient Tower of London to the modern skyscrapers of the Canary Wharf financial district.

WARNER BROS HARRY POTTER STUDIOS

The Warner Bros. Studio Tour London–The Making of Harry Potter offers an extraordinary experience for fans of the beloved wizarding world. Located in Leavesden, just outside London, this immersive tour allows visitors to step behind the scenes and explore the actual sets, props, and costumes used in the Harry Potter films.

From walking through the iconic Great Hall and Diagon Alley to discovering the secrets of special effects and animatronics, every corner of the studio reveals the magic behind the movies. Visitors can even board the Hogwarts Express, try a mug of Butterbeer, and delve into the artistry that brought J.K. Rowling's books to life. Perfect for fans of all ages, the Warner Bros. Harry Potter Studio Tour is a spellbinding journey into the heart of the Harry Potter universe.

* This tour package is only available in the PREMIUM PACKAGE for Global Finals.

* The program details are subject to change without notice depending on the participants in the event!
